Video Synopsis (Traffic Optimization): 16 Lane Interchange

The screenshot displays the BriefCam Protect software interface. At the top left, the text "BriefCam Protect" is visible. In the top right corner, there are navigation buttons for "Review", "Research", and "Respond", along with a settings icon. The main header area includes the BriefCam logo, the title "Interchange Analysis", and the time range "Start: 01/18/2018 3:00 PM" and "End: 01/18/2018 3:30 PM".

The central focus is a "Video Synopsis" window titled "Traffic Analysis : 01/18/2018 3:00 PM - 01/18/2018 3:30 PM". This window shows a high-angle aerial view of a complex 16-lane interchange. The video is overlaid with numerous blue and white vehicle icons, each accompanied by a timestamp indicating its position and time. A play button and a progress bar at the bottom of the video window show the video is at 0:02 / 0:14. A "1211 # of Cars" counter is visible at the bottom center of the interface.

On the left side of the interface, there are several analytical panels: "Vehicle Count Over Time" with a line graph, "Path Map - Displaying most used" with a map, and "Vehicle Count Per Path" with a bar chart. On the right side, there are additional panels for "Airport Check-in" and "Traffic Management".

BriefCam Screenshots v5.1

Alerts: J-Walkers

The screenshot displays the BriefCam Protect interface. At the top left, the logo 'BriefCam Protect' is visible. On the right, there are navigation tabs: 'Review', 'Research', and 'Respond' (which is active and has a '2567' notification badge). Below the tabs is a search bar containing 'j-walkers', a search icon, a 'Filter' dropdown, and a 'Group By' dropdown. The main area shows a grid of alert thumbnails organized by date. The dates shown are 01/22/2018, 01/21/2018, and 01/20/2018. Each thumbnail includes a timestamp. The thumbnails show two individuals walking in various directions on a street. A refresh icon is located in the bottom right corner of the interface.
